Archet(To), transparent wall mount for pendant lamps

Product short description:

Archet(To) is Creative-Cables patented and made in Italy solution to create a suspended lamp that can be hung wherever you want. Its shape that resembles an arch (a bracket? A smile?) makes it possible to hang a lamp onto a wall, even with a lampshade with a 70 cm maximum diameter and a 3,365 maximum weight: Archet(To) bends according to the weight it is bearing!

It won't be difficult to find a nice spot for Archet(To): thanks to its light structure in transparent polycarbonate, it will easily suit any environment.

To make it work, you do not need a nearby socket: just choose a Creative-Cables wiring kit, such as Snake and SnakeBis, selecting the colour you prefer among the more that 100 shades available.

To mount Archet(To) on a wall lightpoint, you may want to use the designated bases.

Attention! Light bulb, wooden accessories and cable not included.

Product description:

Archet(To), transparent wall mount for pendant lamps.

Made in Italy.

Dimensions:

Height: 40 cm

Width: 4 cm

Maximum distance from wall: 40 cm
